INDUSTRIAL BOYS' BAND CONCERT

Large Saturday Night Crowd Appreciates Splendid Effort Of Youths.

JURY LIST FOR SEPTEMBER.

G. A. R. Reception to W. M. Bostaph Tonight—Wedding Permits—Remodeling Utahna.

OGDEN, Aug. 23.—The Industrial School band, under the leadership of Prof. E. W. Nichols, sprang a surprise upon the public Saturday evening by parading the streets and giving one of their excellent concerts, which was appreciated by one of the largest Saturday night crowds the city has seen in a number of months.

Saturday night band concerts and special street illuminations made a big hit during the encampment week, and it is stated that many of the progressive merchants are making an effort to have them continued during the fall months.

CHOIR EXCURSIONISTS.

OGDEN, Aug. 23.—In the excursion of the Salt Lake Tabernacle choir to Seattle, which left Saturday evening, Ogden was represented by about 50 persons who occupied a special car attached to the special train, which pulled out of the city amid the cheers of the friends and well-wishers who gathered at the depot to wish them a pleasant journey.

ADMINISTRATOR CONTOS ESTATE

OGDEN, Aug. 23.—The petition of the relatives of John Contos, who was murdered in Ogden in April, for the revocation of the letters of administration issued to David Mattson, was denied by Judge Howell Saturday, and State Treasurer Mattson will continue to administer the estate.

OGDEN TABERNACLE SERVICES.

OGDEN, Aug. 23.—At the regular services at the Tabernacle, yesterday afternoon, Pastor W. M. Bostaph, of the Weber Academy, was the principal speaker and spoke on "The Observance of the Sabbath Day." Hagberg, Anderson and Orson Griffin rendered songs. There was a very large attendance.

AGAIN WANDERS FROM HOME.

OGDEN, Aug. 23.—Leona Murdock, the 13-year-old girl who has caused the officers of Weber county and Ogden city trouble several times during the past year, is held at the county jail pending an investigation of her case by the county attorney with the view of having committed to the State Industrial school.

The girl's latest escapade was the taking of a horse belonging to her mother, Mrs. Thomas Haley, of Heywood, and driving out of the city late Saturday afternoon. A search was maintained most of the evening and Sunday. She was finally located hiding in a haystack in Haystack, where she was brought to the city by the constable of Harrisville and turned over to the sheriff.

The girl said that she had driven north of the Hot Springs and had returned to the county. When darkness came she drove into a hay yard and turned the horse loose, while she crawled to a haystack to sleep. The officers were advised that the girl had made several attempts to sell the horse, but no one would buy it on account of the age of the girl. The girl will probably be taken before Judge Howell of the district court for commitment to the State Industrial school.

REMODELING UTAHNA.

OGDEN, Aug. 23.—Work has started on the remodeling of the Utahna theater, the attractions of the Northwestern Theatrical association, of which John Cort is general manager and which will play the Klaw & Erlanger attractions. The theater will be three stories high and will have three stories in front. A large canopy studded with electric lights will hang over the entrance. The interior will be furnished with a balcony and a gallery. The building will be about 175 feet in length. The work will cost about \$30,000 and will be completed in 75 days. The new house will be called the Ogden theater.

SEPTEMBER JURY LIST.

OGDEN, Aug. 23.—The following jurors were drawn Saturday for the September term of the district court: J. R. Purdy, A. B. Stallings, D. Clappier, H. Rosenbluth, C. M. Leedom, A. L. Scoville, James Drysdale, Fred Fowler, H. C. Wardleigh, C. H. Hussey, Rufus Ford, Joseph Scofield, C. E. Littlefield, William Ruby, M. S. Foss, L. H. Becraft, Ogden; J. M. Wilbur, Edson; Benjamin Waymont, Slaterville; H. P. Nelson, Huntsville; R. N. Jones, Hooper; J. A. Maycock, Pleasant View; Joseph Stewart, Plain City; Alma L. Green, Burch Creek; J. J. Marshall, North Ogden; John H. Waymont, Warren; Joseph N. Staley, Randall; Caleb Parry, Marriott.

ILLEGAL FISHING.

OGDEN, Aug. 23.—Two Chinamen, employed on the Southern Pacific, were arrested yesterday afternoon at the old Oregon Short Line bridge and booked at the county jail upon the charge of illegal fishing. When arrested the orientals had a large net filled with carp, which they had caught by using an old fashioned Chinese seine, which consists of a sack held in the stream by sticks and the driving of the fish into the seine. The Chinamen were given a hearing before Judge Murphy.

G. A. R. RECEPTION.

OGDEN, Aug. 23.—The reception of the local post of the G. A. R. to Commander W. M. Bostaph, who was elected senior vice commander at the recent encampment at Salt Lake City, will be held this evening at the city hall be-

DR. PRICE'S

but will recommend them as the best articles of their kind in domestic use. They are the leading flavors in America and should be on the shelf of every grocery. Enquire for them and do not take substitutes.

gining at 8 o'clock. From 7:30 to 8 the Industrial School band, under the leadership of Prof. E. W. Nichols, will give a concert from the city hall band stand. The reception to Commander Bostaph will follow. Hyrum Belnap will preside over the meeting and Dr. A. S. Condon will be the principal speaker. It is expected that the attendance will be very large.

MARRIAGE LICENSES.

OGDEN, Aug. 23.—Marriage licenses have been issued by the county clerk to the following couples: John M. Genta and Hooper and Minnie E. Ferguson of Haystack; Alfonso Iromone of Salt Lake and Mary A. Genta of Hooper; James H. Brown of Oakland and Frances J. Hicks of Ogden; Andrew Sorenson and Lucy Smith, both of Ogden.

LEAVES HERALD-REPUBLICAN.

OGDEN, Aug. 23.—M. F. Cunningham, for the last several months Ogden correspondent of the Salt Lake Herald-Republican, has left the city to accept a position with the Salt Lake Herald-Republican Saturday evening. After a much needed rest, Mr. Cunningham will engage in other work. He is one of the state and has a newspaper men in the Ogden and Salt Lake City who will regret to see "Mike" leave the profession.

GILBERT WORKMAN CONVICTED OF MURDER

HEBER CITY, Wasatch Co., Aug. 21.—The trial of Gilbert Workman for the murder of James Griffin at Veranda, which was heard in the first district court here this week, as a change of venue was had from Vernal through the failure to obtain a jury there to hear the case. After being out all night the jury this morning brought in a verdict of guilty in the first degree, with a recommendation for mercy.

The feeling against Workman at the time of the murder was strong. Workman shot Griffin from the rear on the streets of the town when the latter had refused to pay a debt of \$54. Workman was drunk at the time, and the defense made use of this in its plea for temporary insanity. The slayer had pawned his gun for whiskey, and when this was gone he hunted up Griffin and demanded payment of the debt which was not due for several days. Upon the refusal of Griffin to settle, Workman went back to the room and borrowed his gun from the bartender. Later in the day he came upon Griffin, and without a word of warning shot him from the rear at 10 paces.

The defense will move for a new trial on technicalities.

KAYSVILLE ESSAYS TO REGULATE LIQUOR TRAFFIC

KAYSVILLE, Aug. 21.—The city council is still wrestling with the liquor question. At the regular session on Thursday evening the proposed new liquor ordinance was discussed by the solons, and at the conclusion of the meeting the main provisions of the ordinance were read and approved. It will be a very stringent measure, and will provide for the strictest possible regulation. It provides for an increase of the license from \$50 to \$100 a year, after Oct. 1. The closing hour after that date will be 10 p. m. instead of midnight, as at present, and the opening time is fixed at 6 a. m.

The ordinance does not take effect until Jan. 1, 1910, all pool tables, chairs, dumb tables, dice, speaking tubes, dumb waiters and anything and everything that would tend to make a saloon a lounging place, shall be removed. Each saloon is limited to one bar. The usual restrictions relating to selling to minors, insane, idiotic or irresponsible parties, and to drunkards are carried in the new ordinance, and are made more strict. A new provision is that no saloon shall be allowed to open during any portion of an election day, thus doing away with the gathering of crowds on election nights at drinking places. The ordinance will, it is thought, be passed at the next session of the council.

WATERWORKS SYSTEM.

KAYSVILLE, Aug. 21.—The council decided that wood pipe will be used in the waterworks system soon to be installed. The council also decided that the work shall be done by local people so far as possible, and that if any contracts are made local men shall be given the preference. It is probable that the work will be completed within a month, and it is expected that the system may be in use before winter sets in.

The source of the water supply has not yet been decided upon. This week the council will inspect the spring on the Openshaw premises, and probably other sources of water supply, that have been offered at the meeting of the council, and will decide which of several propositions for water supply will be accepted.

AMERICAN FORK YOUTH FRIGHTFULLY INJURED

AMERICAN FORK, Utah Co., Aug. 21.—Robert Kelly, a young man of 22, was run over last night by a heavily loaded grain wagon and was probably fatally injured. His side was crushed in and two ribs were broken, and he was otherwise severely injured. He, with some other men, were hauling grain from the field to the threshing, when in going through a deep ditch Kelly was thrown from the load and the wheels of the heavily loaded wagon passed over his head, neck and one side of the body.

His shoulder was badly bruised and one side of his face was flattened out, and one of his eyes was forced from the socket. He was taken to his home and medical aid secured. He is in such a condition that it is hard to tell just how extensive his injuries are, but they are so serious that the doctor has but little hopes of his recovery. He was but recently married.

INCIDENT BLAZE.

AMERICAN FORK, Aug. 22.—The residence of Mrs. P. F. Maughan, near the Salt Lake Route depot, came near being destroyed by fire last night. The family had just retired for the night, when they heard a crackling noise which was at first thought to be caused by the storm, but upon investigation was found to be a fire in the cellar,

supposed to have been accidentally started when the boy was getting kindling wood. He rushed a match to the fire and had thrown it down carelessly. Assistance was summoned and the fire was extinguished before any damage was done.

BOY BREAKS HIS ARM.

AMERICAN FORK, Aug. 21.—Shirley Dunkley, the 7-year-old son of Mrs. Alice Dunkley of this city, had the misfortune to fall from a stack of hay yesterday, breaking his arm just below the elbow. A physician was called and the broken limb and the boy is getting along as well as possible.

DISASTROUS FLOODS IN SANPETE TOWNS

(Special Correspondence.)
MOUNT PLEASANT, Aug. 21.—The heavy storms during the past week have caused considerable damage in this vicinity. Early in the week Ephraim had a flood that cost the city \$20,000. About noon today another flood came much worse than the first. The terrific rain on the mountains and the streams swelled the mountain streams to torrents and they rushed down the hillsides and into the town, carrying everything before them. Huge boulders and logs were brought down by the swift water. Inestimable damage was done to reservoirs, irrigation ditches and highways. The cloudburst was heralded by a terrific electrical storm. A barn was burned and several trees were struck by lightning. No one was injured, however.

A great rush of water came down the mountain side about noon and without warning. The water took the same course and the same channel taken by the flood of Wednesday, but the water was much sweeter and of much greater volume. All of the streets were flooded and are still impassable. Cellars were filled and gardens and orchards washed out. The floodgates and channels of private reservoirs and irrigation ditches were destroyed, and the loss to farmers and orchardists is incalculable.

At Fairview the barn of Henry Jones was struck by lightning the building being set on fire and everything burned. After an hour's heavy rain, a flood came down Cottonwood canyon. Cellars were filled with mud and debris.

At Fountain Green yesterday the downpour caused a heavy flood that ran into the homes of the residents. Two old women, Mrs. Greer and Mrs. Coombs, were severely shocked but they will very likely escape with this place the flood did much damage to crops.

At Spring City the lightning struck in two places on the premises of Andrew Madson, first going into his house through a transom and then into his barn, killing a valuable horse.

Mr. Pleasant has, thus far, escaped with but a little injury, his house caused by heavy rains in the mountains.

Vales has been visited by four floods and considerable damage has resulted. The first came through town and besides killing one cow did a great deal of damage to grain. Before the fourth one came a dam had been put in the channel above town, turning the flood to either side of town, and as this flood was the largest the most damage was done to crops.

THEODORE BAER ATTEMPTS SUICIDE AT BINGHAM

BINGHAM, Salt Lake Co., Aug. 22.—Theodore Baer, an employee of a local saloon 56 years of age, in a fit of despondency, attempted to take his own life this forenoon by slitting his throat, abdomen and left side with a razor. He is in a very critical condition and will not recover. Baer had been living in a small town in Missouri until a few months ago, when he went to Thermopolis, Wyo., coming here from the latter place. He was sick, out of work and despondent. He eked out a poor existence during his short stay here as a bootlegger. He had a house, medals and official papers found in his trunk showed that he had been a soldier in the Prussian army and had been recognized by the emperor of Germany for heroism, and he received the Iron Cross on recommendation of Von Moltke in the Franco-Prussian war.

CHILD OPERATED UPON.

BINGHAM, Aug. 22.—The little 4-year-old daughter of Mr. and Mrs. John Butler operated upon again yesterday at the Bingham hospital for the purpose of removing a piece of bone from the skull.

The child was trampled on about three months ago by a horse ridden by Miles Workman, foreman at the Boston Consolidated mine, while racing in the lower part of town. Her skull was badly fractured and a piece of the skull was removed as large as a silver dollar. The wound failing to heal, another operation was deemed necessary. The child is comfortable and doing as well as could be expected.

RECENT DEATHS

PIKE, SARAH JOHNSON—At Park City, Aug. 21, Mrs. Sarah Johnson Pike, wife of A. A. Pike, died of appendicitis. Mrs. Pike was taken ill on Wednesday, and on Friday underwent an operation. Following the operation it appeared that her death was inevitable. Word was sent to her mother, Mrs. S. Johnson, of American Fork, who arrived just after death had occurred. Mrs. Pike was born in Greenland on Aug. 25, 1884, and came to Utah soon afterward with her parents. They lived near American Fork for several years. A few years ago Mrs. Pike came to Park City, where she was engaged in the millinery business. She was married to A. A. Pike on July 16, 1905. She is survived by her husband, two step children, her mother and her sister, Miss Martha Johnson.

NEW INCORPORATIONS.

The Bear River Mutual Fire Insurance company, organized at Garland, Boxelder county, has filed articles of incorporation with the secretary of state. Capital is \$10,000 in one-dollar shares. The incorporators are business men of towns of Boxelder county. W. S. Hansen is president; N. J. Valentine, vice president; M. H. Velling, secretary; Mosiah Evans, treasurer, and these with F. Alan Roche, Olof Jensen, A. R. Capener, J. H. Watkins, T. E. Coombs, David Holmgren, J. C. Knudson, C. G. Adney, C. C. Cutler, Peter Love and K. H. Fridal are the directors.

The Mosida Irrigation company, organized in Salt Lake in conjunction with the Mosida Fruit Lands company, has filed articles with the county clerk. It has a capital of \$12,000 in shares of \$10 each, fully paid up in taking over of rights of 12,800 acre feet of water of Utah Lake. L. B. Curtis is president; C. A. Lawson, vice president and treasurer; E. D. Parker, secretary, and these with S. R. Thurnan and H. C. Allen constitute the directorate. All the stock is held by Lawson and Allen except three shares held one each by the other officers.

SEVEN LIVES LOST AT INDIANAPOLIS

Were Sacrificed in the Speed Carnival at Opening of the New Speedway.

THE RACE WAS CALLED OFF

Thousands in Grand Stand Did Not See Accident but Knew Car Had Crashed Through Fence.

Indianapolis, Ind., Aug. 21.—Three more lives were sacrificed today in the speed carnival which has marked the opening of the new Indianapolis motor speedway.

One mechanician and two spectators were today's death toll, when a National car, driven by Charles Merz, in the 300-mile race, lost a tire and crashed through a fence into a group of spectators.

THE DEAD.

Claude Kellum, of Indianapolis, mechanician in the National car.

Bro Joleff, Trafalgar, Ind.

An unidentified man.

Besides the three deaths, there were two serious injuries during the day. Henry Tapping, of Indianapolis, who was in the crowd, was hurt by a car, a broken nose and several scalp wounds in the wreck of the National car. Bruce Keene, driving a Marmon, in the 200-mile race, crashed into a post shortly after the wreck of the National car and was badly cut about the neck and head.

After the second accident the officials decided to call off the race. The leading car, a Jackson, with Lee Lynch, had then covered 235 miles, Ralph De Palma, in the Fiat, was second and Killmon, in a Marmon, was third. The race will be declared no contest and the Indianapolis Motor speedway trophy will be raced for again.

A MIRACULOUS ESCAPE.

Merz miraculously escaped from the wreck of his car with hardly a scratch. He fell under the machine when it turned a somersault through the air and down into a gully near the side of the track. He seemed in imminent danger of being burned to death, but managed to shut off the engine and thus save himself. Kellum was hurled out of the car and landed in the gully some distance away.

The three deaths today raise the speedway fatalities to seven. William A. Bourque and his mechanic, Harry Holcombe of the Knox racing team, were killed in an accident in the 250-mile race Thursday. Cliff Litterell, a Stoddard-Dayton mechanician, was killed by being hit by a big racing machine while on the way out to the speedway. On Thursday, Elmer C. Crampton, a 6-year-old boy, was killed by the automobile of Dr. Clarke E. Day of this city, while the latter was on his way to the races. The meeting, therefore, has closed in gloom, the glory of broken speed being dimmed by the tragic attendant circumstances.

The fatal accident today occurred on the south turn of the immense ellipse and near the open stands that contained more than 5,000 people. The thousands in the grandstand did not see the accident, although they knew the fact of the crash had crashed through the fence. A few minutes later Merz was brought to the officials' stand and a mighty shout of joy went up when it was seen he was unhurt. At some time that the majority of the spectators realized that though Merz had escaped, others lay dead or injured.

The unidentified man was instantly killed and Joleff died as he was being lifted into an ambulance. Quick work by the physicians saved Tapping's life and he has a fair chance to recover.

RACE STOPPED.

After the race a statement was issued by referee S. B. Stevens to the effect that he had stopped the race owing to the physical condition of the contestants, ruled that it was no race and no awards would be made. He recommended, however, that suitably en-

graved certificates of performance be presented to all contestants who finished.

Homer Joleff, one of the spectators killed, was a farmer living at Trafalgar, Ind., 25 years old, and unmarried. Kellum was a resident of this city and had been working for the National company for several years. He was 35 years old, and leaves a widow and two children.

SOCIAL AND PERSONAL

Swimming at Saltair—It's glorious!

Mr. and Mrs. J. W. Hendricks announce the engagement of their daughter Marian, to Ernest M. Hall. The marriage is to take place in September.

Mr. and Mrs. H. G. McMillan announce the engagement of their daughter Bess to Charles L. Smith of Franklin, Pa., the wedding to take place on Sept. 25.

Miss Zora Shaw will be guest of honor at a card party Thursday, her hostesses to be Miss Ethel Nettleton and Miss Pearl Durnell.

Mr. and Mrs. Stephen G. Murray announce the engagement of their niece, Maybelle Alice Crowley, to William A. Silk of New York city. The wedding will take place this month.

Mrs. Byron Cummings and her sisters, the Misses McLaury, are hostesses this afternoon at a large tea, given in honor of Miss Martha Johnson, who leaves shortly for New York, the rooms being bright with early autumn flowers and a number of friends assisting. The hours are from 3 to 6 o'clock.

Miss Omega Woolf entertains at an Orpheum party this afternoon.

Miss Clara Hosmer leaves today for Nampa, Ida., where she will visit with Dr. and Mrs. Jack Hosmer.

Mrs. Vera Fenton announces the engagement of her daughter, Norma, to William Conrad Browning. The marriage to take place in the fall.

Mrs. Clarence N. Sampson will entertain at a Kensington on Wednesday at the Smith apartments.

Mrs. Ira H. Lewis and her mother, Mrs. M. M. Smith, leave this week for Long Beach, Cal., for a stay of several weeks.

Saltair—"Every Day a Big Day."

ERIE HOLDS FIRST PLACE.

A financial writer for an eastern paper, in discussing the usefulness and accomplishments of Public Service and railroad commissions, calls attention to the many duties of such bodies and to the fact that the demands of the New York Commission for punctuality records of passenger trains.

"This innovation," continues the writer, "has brought about some surprises. It is perhaps invidious and unpleasant at times to make comparisons, but in this case, a proper and honest credit should be given, because it has been honestly earned. The writer confesses that he has not always been favorably disposed toward the Erie, being unable at times to divorce capitalization from operation, but a spirit of fairness compels the statement that the official records give to the Erie undisputed first place for punctuality and safety.

"This statement, to some may seem exaggerated, but it is true nevertheless; despite the jokes and jibes of the past. Perhaps the humorist did not know the facts. The six months' record of the Erie, as shown by the reports, shows a total of 43,174 passenger trains, of which 95 per cent reached terminals on time. The next best record is that of a competitor which operated 5,100 trains, with a punctuality record of 96 per cent. The Erie is one per cent behind the record, but operated eight times more trains.

"But the most favorable and agreeable statement that can be made about the Erie, is that it has operated more than 600,000 passenger trains, without a single fatality to a passenger. "Both records impress the student of railroad operations and finances with the fact that the work force is not only extremely competent and capable, but exceedingly careful, as well, of the lives of the traveling public. The Erie has a most valuable asset in its successful operation."
